24 ANTI-GREYING WIPES

Ref. 51419133

The specially treated exclusive fibre absorbs colours released from clothing during the wash before they stain other clothes. Unlike other products, the special micro-weave permits easier washing fluid passage to promote leaked colour absorption. Used with every wash, the ColorStop sheet not only protects your clothes but saves your money on washing. Place one sheet for half-loads and two sheets for full loads in the machine before adding clothes. Add coloured clothing and detergent. Wash using your selected cycle. When finished, remove the sheet and discard. The product is biodegradable.
